

The Mystery Mob groan. They start to throw snowballs at Adi, to shut him up. Adi runs off, ducking and dodging the snowballs. Then suddenly he stops and stares at the ground.

**Lee** What's up with Adi?

**Dwayne** He looks scared stiff.

**Gummy** It's so cold, maybe he's just *frozen* stiff.

**Rob** No, something's wrong.  
Let's go and see what it is.

The boys dash over to where Adi is standing. They skid to a standstill next to him. Adi is staring at some huge footprints in the snow.

**Gummy** There he is!

**Dwayne** Okay. We're just in time.  
Let's jump on the tea trays  
and zoom down the hill.  
He'll never be able to catch us.  
We'll be moving way too fast.

**Gummy** Er ... how are we going to steer  
the tea trays?

**Dwayne** They're not tea trays –  
they're sledges.

**Gummy** Sorry. Er ... how are we going to  
steer the sledges?
