

A man in a white coat and hat comes up to the boys.

Steve Hi, guys. My name's Steve and I'm going to show you round the Sweet Sensation factory.

Gummy Cool.

Steve Right, let's go, but guys, don't touch or taste anything unless I say so. Okay?

Mystery Mob

Okay.

But before Steve can take the Mystery Mob off into the factory, an alarm sounds. Steve looks worried.

Steve Sorry, boys, the tour's off.

Killer Vanilla

Rob and Lee are standing next to a bench that has lots of jars filled with brightly coloured sweets.

Rob Look, there are millions of sweets here.

Lee Yeah, but they're not Vanilla Thrillers.

Rob Hey, Lee, what exactly is a Vanilla Thriller?

Lee It's only the coolest candy ever.

Rob All right! Um ... but I still don't know what it is.

Lee (sighing) It's a tiny bit of red hot chilli covered in white chocolate. You put a handful of Thrillers in your mouth and they blow your head off! I call them Killer Vanilla Thrillers.

Rob Wow, that's sooo wicked! Er ... but I think I'll give them a miss. Red hot chilli gives me bottom burps.
