

But the Mystery Mob are going to Muckle Moor. It's where Lee's rich uncle lives, in a big, posh house. The boys knock at the front door.

Adi Wow! Just look at this place!
It's awesome!

Lee Yeah – my uncle's got a games room and a wicked swimming pool, too.

Adi Cool! Hey, what do you get if a whole load of crooks jump into a swimming pool?

Gummy I don't know.

Adi A crime wave!

Gummy Doh!

Dwayne Shut up, you two – here comes Lee's uncle.

But it isn't Lee's uncle who opens the door – it's the butler.

Chet We're going to make it.

Adi We're going to make it.

Chet We're NOT going to make it.

Adi Arghhhhhh!

The bikes crash into the side of the ditch.
The boys whizz through the air.
They land on their feet on the far side
of the ditch.
