

The boys wander off to look at the rest of the museum. Rob and Lee decide to go to the museum shop. On the way they see some spooky stone steps going down to a dark cellar door. A 'No Entry' sign is at the top of the steps.

Rob I wonder what's down in that cellar.

Lee It must be the stuff they don't dare to put on display in the museum.

Rob Right. So is that why they've put up the big 'No Entry' sign?

Lee I'm going to grab that broom over there. Then I'm going to creep up behind the cobra and pin him down with it. Sorted!

Rob But what if the cobra gets fed up with looking at me before you get him with the broom?

Lee We try Plan B.

Rob What's Plan B?

Lee I don't know. But don't panic. I'll tell you what it is as soon as I think it up.

Lee gives Rob a big smile and thumbs up. Rob's heart sinks.
