

Dwayne I'm not playing football.
I'm going in the time machine.

Gummy You can't. Your uncle said no.

Dwayne He didn't. He said we mustn't
use it. But all I want to do
is sit in it.

Gummy Well, I guess that's OK.

Dwayne Of course it is. Are you coming?

Gummy You bet I am.

The two boys climb inside
the time machine.

Gummy Look at all these buttons
and lights. This is great!

Dwayne It is, but don't touch anything.

Gummy I won't. Hey, what do you think
this big red button is for?

Dwayne I don't know.

Gummy There's only one way to find out.

The boys jump out of the cave,
and wave the burning sticks at the tiger.

The flames scare the tiger. A spark
from one of the sticks lands on its tail.

Dwayne Uh-oh. We've set the tiger's tail
on fire.

Gummy That's done it. We've made it
mad. It'll eat us now for sure.

But the tiger gives a yelp and runs off.
It dives into a nearby river
and swims away.
