

The Go Wild! adventure park is in a steep, wooded valley. All the instructors have muddy boots and wear combat trousers.

Yash and Izzie are grinning from ear to ear. Jo looks curious. Ellie looks worried and Meena looks like she's going to cry.

Oh dear! Ginger wants everyone to be happy for her birthday treat.

Ginger It'll be fun. I promise! At least ... at least give it a chance.

Meena Of course we'll give it a chance, won't we, Ellie?

Ellie Yes. It's your birthday, Ginger, and we're your Magic Mates. What's a birthday without us?

Soon the girls are ...

... crawling through
tunnels ...

... walking the plank ...

... climbing trees ...

... going up rope ladders ...

... swinging like Tarzan

... and crossing
wobbly bridges.
