Brad Tipp's Secret

Honey takes the girls into the costume department.

Ellie Look at all these beautiful clothes!

Jo There's a suit of armour over there, just like a real knight!

Ellie And these dresses are just like the ones I've seen in books – ladies wore them hundreds of years ago.

Honey These costumes are for a new film starring Brad Tipp. He plays a knight who has to save a princess. He's had to learn to use a sword. It's not as easy as it looks in films.

Jo notices a small door, with a poster of Brad Tipp.
