

Yash Why are we going to look at a load of boring paintings? I'd rather go to the zoo and see the animals.

Ellie I'd rather go shopping.

Meena Yes!

Ginger I'd rather go to the park.

Izzie Me too.

Jo Well, I think it will be fun. We'll see some really famous paintings worth millions and millions of pounds.

Ginger How much?!

Jo There's a painter called Van Goff. He painted a picture of sunflowers, that's worth about £20 million.

Yash Wow!

Meena It must be very big.

Izzie Or it's a very good painting.

Ellie It's a very famous painting.

The Magic Mates walk round the gallery looking at the different paintings.

Meena Oh, this one is so sad.
She was only queen
for nine days.

Ginger And then she lost her head.
Ha, ha, ha!
