YOU'RE NOT THINKING ABOUT TRYING TO BLAST AN ASTEROID THAT SIZE, ARE YOU? IF SO, YOU'RE CRAZY!

“Blasting that asteroid might do more harm than good,” said Kojo. “The blasts might push the asteroid faster through space. It could hit Earth with more force than it was going to.”

Sima was angry. “Do you have a better idea, Kojo?”

“No, not yet,” replied Kojo. “There’s got to be a way of saving Earth. But I don’t think trying to blow up the asteroid is the answer.”
