

They ran on through the sewers.

“Shine the torch up at the ceiling,”
said Tom.

Kojo shone the torch upwards.

There was a drain cover just above
them. A small ladder led up to it
and a bolt held it in place.

**I'M GOING TO
CLIMB THE
LADDER AND
UNBOLT THE
COVER. IF THIS
WORKS THE
YOBS WILL
FALL STRAIGHT
INTO A TRAP.**

Tom climbed up the ladder. He could
hear that three of the yobs were
further down the street. But two were
standing right over the cover.

Tom pointed to the yobs' feet. Kojo
and Sima grinned. Tom reached up
and quickly tugged the bolt. The yobs
yelled as they fell into the sewer.
