Bring reading to life in school and at home with an online eBook library. A subscription gives access to every Reading Planet book as an interactive eBook.

- Use alone or alongside your reading books to improve specific skills, widen reading and inspire reading for pleasure
- Deliver effective whole class, independent and guided reading sessions with the downloadable teaching activities and notes for each eBook
- Strengthen home-school links by allocating eBooks as homework – the Library can be accessed by parents and pupils anywhere, on any device: desktop computer, laptop, tablet and mobile (quizzes cannot be used on a mobile)
- Practise and improve comprehension skills and vocabulary acquisition with interactive, self-marking quizzes for each eBook and track progress via the easy-to-use reporting tool
- Use the integrated features such as read aloud audio (Reception and Key Stage 1 only) and highlighting and comment tools, to engage children even more with each eBook

“We recommend it all the time to other schools. We recently had a ‘deep dive’ reading session with our local authority adviser and she was blown away by it.”
Ancaster CE Primary School

CRACKING COMPREHENSION

£155*
per year group
*£50 annual
resubscription fee

Work as a class to read, evaluate and answer reading comprehension questions with fun, interactive whiteboard software.

- Build reading comprehension skills with your class, reading or listening to texts, highlighting relevant evidence and forming the answers to questions together.
- Save time with step-by-step teaching notes for each unit, including useful strategies for embedding comprehension and full answers in the print teacher's guide.
- Measure progress and identify gaps in knowledge with approximately 30 self-marking low-stakes interactive quizzes per year group and progress tracking.
- Make comprehension practice relatable with texts from well-loved authors including Dick King-Smith, Michael Morpurgo and William Shakespeare.

"Cracking Comprehension has resulted in all children in Year 6, (56 pupils) achieving a minimum of 100 on the scaled score and an average scaled score for the cohort of 109.1."
